

# MORALES GROUP, INC

TEMPORARY STAFFING ♦ PERMANENT PLACEMENT ♦ FULFILLMENT

## AMIGO THE MORALES GROUP DIFFERENCE

### ATTRACT

Morales Group is seen as first choice within the Hispanic and immigrant communities when conducting their job search. Therefore we have access to the most qualified candidates. Because of the Morales company culture, our community outreach, and our ability to communicate, we inherently establish trust with our workers and can more effectively review a person's work history and background.

### MANAGE

Our Client Services team proactively manages our workforce both on and off the work site. They ensure that a worker's skills match the job requirements, address work performance and attendance concerns, conduct orientation sessions and work closely with the customer to manage fluctuations in workforce demand.

### INTEGRATE

To assist in integrating our workforce and operations, Morales Group provides team leads who work with our customers on cultural assimilation, serve as a liaison between worker and customer, and provide customer reporting through our web-based time clocks (Aprisa Time) and system software (Staff Suite).

### GROW

With multiple staffing services available, Morales Group can support our customers in multiple areas and expand our involvement as our customers needs change and grow.

### ORGANIZE

The Morales Group's management team and employees are committed to bettering the lives of our workforce by providing training, benefits, and access to social services and by actively promoting and participating in state and local commissions, various community groups and events.

The Morales Group, with its proven track record of attracting the best workforce combined with its ability to support and manage its employees, has consistently provided our customers with higher worker productivity, lower absenteeism, and reduced turnover.
